Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Your report fails to provide proper election designations for contributions disclosed on Schedule A supporting Line(s) 11(c). Authorized committees should indicate the election for which the contribution was designated. If no election is designated, the contribution is applied to the next election for the federal office the candidate is seeking after the contribution date. Please be advised that incorrect election designations may result in excessive or impermissible contributions. Please amend your report to clarify election designations P2013. (11 CFR §§ 110.1(b) and 110.2(b))

- Please be advised that the FEC Committee ID numbers for the following contributions from political committees appear to be incorrect: United Mine Workers of America Power PAC (C00489203). Use of incorrect FEC Committee ID numbers may create difficulty in identifying the contributing committee for the public record. (11 CFR § 104.3(a)(4))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will**
